	Other

DESCRIPTION:
The S5-SR is the only clip in the world designed specifically for use with the popular S5! roof clamp series for the installation of heat cable on standing seam metal roofs. You can use one or more S5-SR clips on each S5! clamp, depending on your installation requirements. The S5-SR is made of raw 1.2mm thick 5052 aluminum alloy and comes in bags of 10.
